ABOUT ME

My experience in aviation has been a significant part of my personal and professional growth for 5 years. In this new stage in programming, I am excited to apply the skills I acquired through an intensive JavaScript Bootcamp. My challenge is to provide valuable contributions to any project I am involved in and meet the needs of the company.

I aim to transition my career and aspirations into the technology sector, combining my programming knowledge with my passion for delivering excellent customer service.

PROJECTS

FullStack Developer - House of Dev 🔗   11/2023 – 12/2023
